APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion, manner and place of use of the waters of South Zephyr Cove Creek, as heretofore granted under Permit No. 7786, is issued subject to the terms and conditions imposed in said Permit No. 7786 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be ~~changed~~ shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.6 cubic feet per second or 1,000 acre-feet per annum.

Actual construction work shall begin on or before January 24, 1958.

Proof of commencement of work shall be filed before February 24, 1958.

Work must be prosecuted with reasonable diligence and be completed on or before January 24, 1958.

Proof of completion of work shall be filed before February 24, 1958.

Application of water to beneficial use shall be made on or before January 24, 1958. Proof of the application of water to beneficial

use must be filed with State Engineer on or before February 24, 1958.

Proof of commencement of work filed AUG 23 1957 WITNESS MY HAND AND SEAL this 24th day

Proof of Completion of work filed AUG 23 1957 of July, 1957.

PROOF OF BENEFICIAL USE FILED AUG 23 1957

Certificate No. 4698 issued 4/24/58 for 1.6 c.f.s. for gen. report

Numbered 4/24/58
